Section 2: 40 Days of Prayer

Speak oh Lord

Prayer Journal

Thursday

17-09-20

18-09-20

Friday

Look out! During the next 10 days our prayer focus is upon the employed, those seeking employment and businesses within our communities. During the pandemic we have faced unprecedented circumstances which have affected all aspects of life. When you consider the following prayer options (which are not either/or options –you can do all of them 😊) The area of employment (in all its facets) has affected people in many ways, furlough, redundancy etc, and for some their mental health and self-esteem. We may be met with unexpected prayer requests. Be Jesus to these people. In section 1, we were reminded that we are a royal priesthood, we represent the people to God. Here is our opportunity to do that. We are God's body in this situation. Go out and love. Love simply. Love deeply. Love compassionately and let him do his work through us. Amen.

Matthew

Contact three people who are employed and ask how you can pray specifically for them.

Mark

Contact someone you know who is seeking employment and ask how you can pray specifically for them.

Luke

Make contact with a business in your community and ask what issues they are currently facing and how you can pray for them and their business.
