ADVENT HOPE

Pray for people as they discern the new restrictions placed upon them with the publication of the new tier system post-lockdown 2. Pray that people would be wise and discerning. Pray for a real sense of HOPE during this first week of advent. Hope of break-through, Hope of light in the darkness, Hope of a new way of doing things , Hope of a pathway in the wilderness coming into fruition. Pray for HOPE of a saviour touching people's lives in a way that hasn't been possible before.

Pray for your HOPES and DREAMS. Allow God to place new HOPES and DREAMS on your heart. Allow him to speak to you of a hope that he has for you, for plans not yet revealed, of adventures not yet begun. And together let's HOPE for a brighter tomorrow with Jesus.

*And so, Lord, where do I put my hope?
My only hope is in you.*

Psalms 39:7 NLT

Community Prayer

This week in our prayers we are drawn to different areas of our community. Within and without.

The Elderly. Consider those who are more mature in years within our congregation, our church family. Pray that they feel honoured within our church family. That their years bring with it wisdom in faith, knowledge of scripture –yet the joy of knowing there is more to learn about Jesus. Pray for the Elderly without –outside the church family but very much part of the community. Pray for those who maybe lonely, in need and pray that God's Spirit would guide us and others to these people so that they would not be isolated.

Whether that be in person, through technology, whatever means pray he will help us make connections.

Pray also for the wider Baptist family. Brothers and Sisters in Christ who are in the same boat as us, unable to meet physically, yet still bound in love for each other through Christ, Pray for their strengthening and sustaining throughout this time.
